

CMS Food Studies Homework - Mrs Kidd

Year 8

Research Italian foods. Produce an A4 sheet to show your findings.

Include

- Background information about Italy, where is it, what is the climate, flag, map, capital city etc.
- Find out what foods they are famous for/ produce
- Include pictures either draw or from magazines/ internet etc.
- Find out some names of traditional dishes and explain each.
- An evaluation – what is your opinion about Italian foods

Remember to present your work neatly.

Challenge: Present your work as an article for a Food magazine.

Homework to be handed in by 5 October.
