

## Summer 1 Year 5 French Enrichment HW

Design a picture alphabet in French. It will be easier if you choose nouns. Remember to check the letter of the noun itself and not the article (le/la/l'/les ). Your first one could be

une **A**raignée

- check spelling carefully
- check gender - is it - un/le or une/la?
- is it singular (one) - le/la, or plural (more than one)- les/des
- you can either draw or use images from the internet

### EXAMPLE

une **V**ache

**Further challenge:** Use your word in a sentence

ie. Mon père a vingt vaches
