

FANCY BEING A MUSIC MENTOR?

Take on the challenge of becoming a music mentor in the final term!

Task:

To be a music leader in KS3 and support KS2 during weekly lunchtime rehearsals. Help the music department in preparing for the many events in the Summer Term. This project will suit you if;

- You are willing to give up 2 lunchtimes per week to help and support KS2 – this could involve coaching a child 1-1 in concert preparation or just general support in the music department, from preparing instruments, sorting music etc.
- You enjoy helping people and would like the challenge of teaching a student in Y5 and Y6.
- You are confident in your communication skills

To be successful:

- See Mrs Fisher by Monday 24th April to sign up (if not signed up by this week you will be unable to help)
- Be prepared to get stuck in!
- Be patient and open minded.

Mrs Fisher is looking for up to 10 Music Mentors across KS3 – if more sign up then you may need to prepare a 30 second speech as to why she should pick you!
