Dear Parents/Carers,

It's that time of year where you will no doubt be thinking about middle school choices for your child as they transition from Year 4 and move into Year 5.

We at Corbridge Middle School hope that we will be one of the schools you will be considering and we would love to welcome you and your children to our Open Day events on Wednesday 28th September 2022. We have two events running throughout the day:

9:15am - 10:45am - Open House Event

This is a chance for parents and carers to see the school in action throughout the school day. You will be able to attend school during this time, take a look into lessons, have a tour of the school and get a real feel for school life at CMS.

6:00pm - 7:30pm - Open Evening

This will be our formal information evening where key information will be shared alongside tours of the school, meet and greet with the staff team, and ample opportunities for you to ask any questions you may have. There will also be a range of exciting activities for you and your children to participate in which will give you a flavour of what our school can offer.

Please also feel free to read our school Ofsted report in which we received the highest accolade of Outstanding.

We do hope you can join us for some of the events we are hosting. If you could call or email the school office to confirm your attendance to help us establish intended numbers that would be greatly appreciated.

Yours sincerely,

Mrs Adele Brown
