

# Year 8 RE Enrichment Homework Autumn 1

In preparation for our first unit on Hinduism (hopefully coming soon), I want you to research and find out about some of the deities that Hindus worship.

**Task:** Research and present a project on a chosen Hindu deity. It can be presented any way you prefer: hand drawn, 3D model or painted. You may research more than one if you want.

## Success Criteria

- Research a Hindu deity
- Must be clearly labelled with its role, name, symbolic items related to the deity (e.g. powers, role, clothing, weapons, special features, associated animal or side-kick...)
- Include an image whether it is hand drawn/painted, from the computer or a model.
- See below for labelling ideas

## Challenge ideas:

- ❑ If you love narrative, you could think up a mythical tale about how it was created, its powers or an adventure that it could have experienced.
- ❑ You could design your own Hindu deity and make up its form, powers and symbolic items.

## Final deadline for submission:

Week beginning 5th October - hand to form teacher who will pass it on to JB.
